Re: 37 Front Street, Campton, NH
Solid Waste Permit #DES-SW-SP-03-004

**FIRST AMENDMENT TO
ADMINISTRATIVE ORDER
BY CONSENT
No. WMD 05-001**

A. INTRODUCTION

This Amendment to Administrative Order by Consent No. WMD 05-001 ("Amendment") is issued by the Department of Environmental Services, Waste Management Division ("DES") to, and with the consent of, K.C. Tire Recycling, L.L.C. ("KC Tire") pursuant to RSA 149:M:15:I.

Administrative Order by Consent No. WMD 05-001 ("the Order"), was fully executed by the parties on April 13, 2005. Section E., Paragraph 9 of the Order required that KC Tire install temporary chain link fencing and gates around the Site as represented in the Design Plan by May 20, 2005.

The surveyor, hired by KC Tire to locate lot lines along which the fence is to be erected, has had difficulty in locating specific portions of the lot lines. KC Tire has requested that additional time be granted to complete the boundary survey, place lot line markers, and comply with the fencing requirement in the Order. This Amendment to the Order is effective upon signature by all parties.

B. AMENDMENT

DES and KC Tire agree to the following revision of the Order:

1. Change the compliance date of Section E, Paragraph 9 from May 20, 2005, to June 30, 2005.

In all other respects, the Order remains in full force and effect.
